ROSETTA

Dense curtain fabric; Extravagant eye catcher which elegantly sets the scene with its materials and its design. Bold window roses align to form a decorative grid pattern. A voluminous wool bouclé and a mohair yarn are interwoven into a linen warp. The mix of these materials creates an unusual and exciting combination with a three-dimensional effect. In addition to neutral colour settings which have not much colour contrast, a rust red on the palest of blue and a yellow green on a silvery pale grey are setting accents.
